

The 3rd Shanghai Assembly on Cosmology and Structure Formation

Monday, November 17, 2025

Cosmology 1 (2:00 PM - 3:25 PM)

time	[id] title	presenter
2:00 PM	[81] Cosmology from measurements of the matter-radiation-equality scale	PARKINSON, David
2:30 PM	[55] Extracting non-linear information from DESI Luminous Red Galaxies by emulating pre- and post-reconstruction power spectra	WANG, Yuting
2:50 PM	[72] Systematic Analysis of Parity-Violating Modes	Prof. HONGMING, Zhu
3:10 PM	[63] Exploring the signature of assembly bias and modified gravity using small-scale clusterings of galaxies	WANG, Yirong
