

# The 3rd Shanghai Assembly on Cosmology and Structure Formation

## Friday, November 21, 2025

**Structure 3** (10:40 AM - 12:15 PM)

time	[id] title	presenter
10:40 AM	[74] Large-Scale-Structure Observables in General Relativity Validated at Second Order	Prof. JEONG, Donghui
11:10 AM	[39] Exploring the identity of dark matter using galaxy strong lensing	RAN, Li
11:30 AM	[42] Stellar Mass–Dependent Assembly Bias of Central Galaxies in Massive Clusters	LIU, Zhenjie
11:45 AM	[36] The tidal track of satellites in COLIBRE	HE, Feihong
12:00 PM	[5] Probing dark matter properties between Fermi-LAT gamma-rays and weak lensing from KiDS-1000	ZHANG, Shiyang
